

### ***Calling all former Synchro Canada members***

Synchro Canada is looking for past athletes, coaches, officials and general members who want to remain connected to the sport by registering through our Synchro Canada Alumni registry.

We feel that we could greatly benefit from your synchro experience and passion for our sport. Perhaps you would like to contribute to the sport through the donation of your time or money? Maybe you have helpful ideas or suggestions on how our alumni can help us obtain our organization's mission and vision?

For the coming year our alumni projects will be focus on assisting with volunteers for the UANA Age Group Championships in Calgary in August and raising money for the Junior National Team to attend the Junior World Championships in Russia.

Synchro Canada is asking you to register for a fee of \$10.00. Because funding from Sport Canada is based on registration numbers, it is crucial for us to develop a robust registry.

Any donation of \$25.00 or more will receive a Charitable Donation Receipt. All registration fees and donations will go directly to the program you choose from the list below:

- the 2008 Jr. World Team – training camp and competition
- the 2008 Olympic Team – Qualifier and training program
- any other non targeted Synchro Canada programs

**Please pass along this letter and registration form to any past Synchro Canada member you keep in contact with. We are making this a provincial challenge to see which province can accumulate the most registered members.**

Visit our website ([www.synchro.ca](http://www.synchro.ca)) for information and current news. We hope to add an alumni link that will feature alumni news and events.

Email [alumni@synchro.ca](mailto:alumni@synchro.ca) with your ideas and suggestions.

We need your support and involvement as an integral member of this Association in order to make this alumni project a success.

## Synchro Canada Alumni Registration Form

Name: \_\_\_\_\_
